

PLANT SUPERGROUP

A forum for CSU and Front Range researchers active in experimental plant biology

Join us for our 1st meeting for Fall 2007!

Friday, September 28th at 3:30 pm in A/Z E112

Come see presentations by 2 plant scientists,
meet other researchers and enjoy goodies and drinks.
Socializing starts at 3:30 pm, talks start at 3:45 pm.

Program:

Dan Manter (USDA-ARS Soil Plant Nutrient Res. Group)

Break with goodies

Pat Bedinger (CSU Biology) “Plant Peptides Down Under”

See you at PSG!
